***Resolution of the Board of Directors of DELTA 2000 no. 10***

Opening December 18th, 2018 with deadline February 8th , 2019 – h. 12.00 a.m.

**This notice does not constitute a prize event pursuant to Article 6 Exclusions of Presidential Decree 430/2001. “We do not consider competitions and prize operations: a) the competitions organized for the production of literary, artistic or scientific works, as well as for the presentation of projects or studies in the commercial or industrial field, where there is an awarding of the prize to the author”**

**This competition of ideas does not even refer to the design competitions pursuant to Legislative Decree 50/2016 art. 154, 155, 156.**

**Award criteria: art. 95 paragraph 7 fixed cost - qualitative assessment.**

Object : presentation ideational proposals with reference to the following thematic areas:

- a) **ideas aimed at communicating small museums and the connection with the territory:** the ideas that will be proposed must take into consideration the museums involved in the projects and the partner areas. In particular, the proposal will have to specify which content the small museums should communicate to be more attractive and to which audience and which targets (young people, general public, scientists, etc.).
- b) **which better technologies to communicate the contents that are intended to be disseminated,** both with reference to any technological tools to be placed inside museums, and with reference to any technological tools to be positioned outside them and therefore in the surrounding area, both with reference to instruments of communication of a general nature to be used through online media;
- c) **common guidelines for partners and new ideas for connecting creative industries to cultural heritage,** which can then be used by project partners to finalize subsequent museum and communication setup actions,

The remuneration will be recognized as follows:

1° ranked: € 5.000,00 + VAT

2° ranked: € 3.000,00+ VAT

3° ranked: € 2.000,00+ VAT
