Subject: Your good practice has been published in the online good practice database

Dear Angela Nazzaruolo,

Congratulations, your good practice **Primavera Slow nel Parco del Delta del Po | Slow Spring in the Po Delta Park** is now published in the good practices database on the programme website. Policy makers around Europe will be able to consult your good practice online and contact you through the Policy Learning Platform for further exchange of experiences.

Visit the database to see your good practice and the expert opinion written by one of our thematic experts:
<https://www.interregeurope.eu/node/68366>

Thank you again for submitting your good practice!
